THERE isn't a Goebelin in Mayville who doesn't climb over somebody's back every day to borrow THE LEADER. They all read it—and cuss. Now is the time to advertise.

In the term "Goebelinism" is offensive to you, don't read THE LEADER; for our type-setters have the word on tap, and it might find its way into these columns when you're not looking for it.

THE Goebelinized Democracy has difficulty in getting any one to run for Congress in the Fifth District. They tread the drubbing that the outraged voters of Louisville have in store for them.

Is all the decisions in all the Courts it has never yet been declared that WILLIAM SYLVESTER TAYLOR did not get a majority of the votes cast for Governor by "the great common people" on the 7th day of November, 1899.

HAVING gotten his part of the "swag" under the operation of the Goebel Law, would-be Senator BLACKBURN now wants it changed. But, come to think of it, BLACKBURN is not the only man who has been "elected" by a Legislature and then failed to land in the United States Senate.

EVENS so great and so good a Goebelin as ex-Senator J. C. S. BLACKBURN who slobbered over poor JOHN SANDFORD and then slobbered over the Republicans—rises to remark that the Goebel Law is imperfect and needs to be amended. As he declared in a public speech that the Democrats and not the Republicans would do whatever stealing was done under its operation, one is at a loss to know just how much more latitude for stealing ex-Senator J. C. S. wants the law to give him.

IN Cincinnati Judge WILLIAM WORTHINGTON has resigned from the Bar Committee appointed by Judge DAVIS to investigate the charges brought by the Court against "Colonel" TOM CAMPBELL, of the firm of CAMPBELL, BAYNE, CALDWELL & MAYNARD, in connection with their conduct in a trial in Judge DAVIS's Court. Judge WORTHINGTON served on a former Committee to "investigate" CAMPBELL, knows all about his rascally methods, and does not believe he could enter upon the present investigation without bias. This is the reason he has asked the Court to release him.

The Court appointed Attorney NELSON SAYLER to succeed him. Mr. SAYLER will serve on the Committee. The "investigation" will be made, and it goes without saying that more of TOM CAMPBELL's dirty work will be uncovered.

MR. BECKHAM, in his first interview since the Supreme Court decision in his favor, tells us that the fight for the Governorship next November will be made by the Goebelin. Republicans on the cry for civil liberty, and by him and his friends upon the cry against murder.

Commenting upon these declarations of the acting Governor by word, the Hon. L. N. DEMBITZ, a leading citizen of Louisville, in a card to The Evening Post, says—

"I wish here to enter my protest. In the fall of 1899 I took myself quite a prominent, though perhaps not a very effective hand in the fight against the election of WILLIAM GOEBEL, and I objected to his election solely because in the resentment over defeat in a political aspiration he had killed, or, as it seemed to me, deliberately murdered JOHN L. SANDFORD. Mr. OWENS, one of the finest speakers in the state, dwelt on the taking off of SANDFORD more than any other act in GOEBEL's services. After frauds, running up in the ten thousands, carried out by County Boards, there were only 2,383 votes left of TAYLOR's plurality. I have no doubt that the killing of SANDFORD caused a change among Democratic supporters to account for this margin of 2,383."

"Mr. GOEBEL, you beaten because the people considered him a murderer. The party that tried to elevate him to the highest position in the government was then, and is now, the party condoning murder."

KENTUCKY FLASHES.

SMALL AMOUNT EXPENDED.

The Goebel Reward Commission held a two-day session held at Frankfort.

Frankfort, Ky., May 26.—The Goebel reward commission adjourned a two-day session here today, commissioners saying that nothing was done except to pay a few minor bills for current expenses of the commission and those working under it, aggregating about \$500. Commissioner Moore, who asked if the meeting of the commissioners had any bearing on the resignation of suspect John Powers by County Judge Knott, of Knox county, or on the action of Gov. Mount, of Indiana, in refusing to honor Gov. Beckham's requisition for Charles Finley, said: "These matters are not within the purview of the commission and the objects for which it was created. They rest wholly with the prosecution, if with anybody, and however much the members of the commission individually may condemn the conduct of these officials, it is not a matter for our official consideration."

Mr. Moore said that, instead of the large sums which the fugitives and their friends would have the power to pay so far expended was very small in amount, and had been and would continue to be expended conservatively and for legitimate purposes only. He denied all knowledge as to whether or not an indictment had been returned against former Gov. Taylor, but said if one has been returned it is not a matter for the prosecution to look after and not the commission.

TAYLOR AND FINLEY SAY.

Gov. Mount Says They Can Stay in Indiana as Long as They Choose to Remain.

Indianapolis, Ind., May 25.—Gov. Mount refused to issue a requisition on the governor of Kentucky which was asked by Lawrence county officials for the return of the man who is charged with petit larceny and has fled to Kentucky. The governor's advisers claimed it was a ruse to show Gov. Beckham's magnanimity in honoring a requisition from Gov. Mount, and thus draw an invidious comparison between the two governors. Gov. Mount said the papers were incorrectly drawn.

Gov. Mount said he had not changed his mind as to Taylor and Finley, and that they were safe so long as they choose to remain in this state. Taylor and Finley spent a quiet day with friends here. They leave Sunday for Martinsville to stay several weeks.

DIVIDED IN OPINION.

Some Doubts as to Whether a Generalist Election This Fall is Necessary.

Frankfort, Ky., May 26.—Notwithstanding the democratic state executive committee has issued a call for a convention to nominate a candidate for governor, the democratic leaders and lawyers generally are divided in opinion as to whether an election this fall is required under the present constitution.

Chief Justice Hazelrigg, who issues the writ of election, is quoted as inclining to the opinion that an election is necessary. Gov. Beckham is said to be among those who hold to the contrary view, this being a presidential year, on account of which there is a special provision in the Kentucky constitution over the construction of which the dispute arose.

Next G. A. R. Encampment.

Lancaster, Ky., May 26.—The last day of the G. A. R. encampment brought hundreds of people and veterans from adjoining towns. Several thousands were in line in the parade, it is estimated that 10,000 veterans and visitors were present. At the head of the parade was the flag which was first planted on Lookout Mountain by Capt. Wilson after the "Battle Above the Clouds." Covington was selected for the next encampment.

Did Not Favor Columbus.

Frankfort, Ky., May 26.—The democratic executive committee did not adopt a resolution favoring Columbus, O., for headquarters of the national democratic committee, as reported. The proposition was before the committee and was generally favored, but no action was taken, as the successor to National Committeeman Woodson, who will have a vote on the matter, has not been elected.

Panic at a Circus From Shooting.

Hopkinsville, Ky., May 26.—A crowd of Negroes left the circus tent about midnight at Bolivar, Ky., numerous persons began shooting pistols. A fusillade followed, about 75 shots being fired. Mary Bell and Frank Rivers were probably fatally wounded, and Zorille Willis and "Buster" Davis severely injured. In the panic which ensued. Several children were hurt.

Military Bodies Can Enter Kentucky.

Frankfort, Ky., May 26.—Gov. Beckham will issue a general order allowing military bodies from other states to come into the state next week on account of the national reunion of Confederate veterans in Louisville. This will obviate the necessity of Gov. Mount calling on the Kentucky executive for permission for the Madison military company to attend.

Shot From Ambush.

Lancaster, Ky., May 26.—Jas. Buckner, of Paint Lick, was waylaid and shot from ambush six miles from here late at night and dangerous wounds inflicted. Robbery was supposed to have been the motive.

Unable to Work.

Chas. Hedges of Atwood, Ky., was unable to work on account of kidney trouble. After long and painful illness, he died yesterday. He was 65 years of age.

Louisville was named as the next meeting place of the State Association of Homeopaths.

TAKEN A HAND. PROTESTS MADE. CLEAR OF BOERS

The United States Government Will Help Suppress the "Boxers" in China.

CHINA HAS BEEN ALREADY INFORMED

Warships Will Be Sent at Once and Even Troops if It Should Prove to Be Necessary.

"Boxers" Kill a Chinese Colonel and Seventy of His Troops Who Were Sent Against Them—A Crisis Is Approaching.

Washington, May 26.—The United States government has taken a hand in the suppression of the "Boxers" in China. Minister Conger has been instructed by the state department to inform the Chinese government that the government of the United States expects to stamp out promptly and thoroughly this seditious and to provide proper guarantees for the maintenance of peace and order and the protection of the life and property of Americans now in China, all now threatened by the operations of the "Boxers."

There is no indication in the instructions as to the course that will be pursued by the United States in case the Chinese government fails to observe the warning conveyed in this communication. Mr. Conger is acting on parallel lines with the representatives of every European power at the Chinese court, but has not joined in any concerted action.

It is realized here that the Chinese government, in dealing with the "Boxers" will encounter much difficulty, as the society claims to be purely patriotic in purpose. Its contention is that the teachings of the Christians are in their results absolutely destructive to the Chinese system of government, which the Chinese now are not attacking foreign missionaries, but are killing the Chinese who allow themselves to be converted to Christianity. This makes the matter difficult to deal with, as it heretofore has been a well-recognized right of a nation to deal with its own subjects as it pleases. This rule does not contemplate excesses such as are ascribed to the "Boxers," and there is believed to be reasonable ground for foreign intervention, which would include the participation of United States warships, and even troops, if such should be necessary.

Mr. Conger's latest advice to the state department indicates that this troublesome society is waxing strong in the very heart of Pekin, the Chinese capital, and it was evident from the tone of his dispatch that a crisis was approaching which would either result in drastic action by the Chinese government or a Chinese demonstration by the powers in the near future.

ATTACKED BY "BOXERS."

A Chinese Colonel and Seventy Men Killed and Wounded—Boxers Charged.

Pekin, May 26.—A force of Chinese cavalry that was attacked by "Boxers" lost a colonel and 70 men killed and wounded.

Li Hung Chang has been confirmed in the viceroyalty in Canton. Tai Chin Lin, the former viceroy, has been ordered to remain in Pekin to await inspection.

WAS INSANELY JEALOUS

A Chicago Real Estate Dealer Attempts to Kill His Stepfather in Toledo, O.

Toledo, O., May 26.—Chas. Bartley, a real estate dealer of Chicago, attempted to assassinate his stepfather, R. A. Bartley, at the latter's home on Grand avenue. R. A. Bartley is a large wholesale grocer, and stands high in business and political circles. While he was at dinner Mr. Bartley was called to the front of the house. There stood his stepson, who at once drew a revolver and fired. The man was so excited that his aim was wild and a piece was clipped from the father's trousers.

The two men grappled, and the housekeeper ran screaming to the rear of the house, attracting some neighbors, who came in and endeavored to separate the men. Young Bartley still held the revolver, and attempted to use it, and in this manner the men tumbled all over the house.

A second shot was fired, and narrowly missed the head of a neighbor, F. E. Gleason. A squad of police arrived at this juncture, and the stepson was taken to the central station, but was subsequently released on bail. Because the father had been in trouble, he was highly excited and had repeatedly written letters threatening R. A. Bartley's life.

Criticized by Spanish Papers.

City of Mexico, May 26.—The Spanish papers here continue to sharply criticize the American administration in the former Spanish colonial possessions, and assert that the corruption in the Cuban post office is but a fair sample of the whole American civil service.

Forty-Lives Reported Lost.

London, May 26.—A dispatch to the Daily Express from Georgetown, British Guiana, says that a steamer with thirty convicts has been carried over a catamaran in the Potara river, British Guiana, forty lives being lost.

The Japanese and Chinese Governments Make Demands of the United States.

OBJECT. TO THE SERUM INOCULATION

The Communications Have Been Referred to the Surgeon General of the Marine Hospital Service.

It Is Believed That There Will Be an Abatement of the Risks of Quarantine Measures Now Being Enforced.

Washington, May 26.—Through its charge, Mr. Keiido Nabeshima, the Japanese government has joined the Chinese government in a strong protest against the compulsory inoculation of Japanese and Chinese in San Francisco with anti-plague serum. The Japanese protest is much more energetic and forceful in terms than that lodged by the Chinese government, and conveys a very plain intimation, while the Chinese protest has no objection to a general inoculation, if such was regarded as necessary to prevent the extension of the plague, can not be contemplated, and any discrimination should be practiced against the Japanese and Chinese; the rule must be general and include Caucasians as well as yellow men. Unlike the Chinese, the Japanese have a measure of protection afforded by their most recent treaty with the United States on which its face might seem to warrant their protest against any discriminatory treatment.

The communications have been referred to the surgeon general of the marine hospital service, with directions to report the facts at once. It is understood that he has telegraphed to the Japanese minister in charge of the work of stamping out the plague in San Francisco, and it is presumed that the net result will be an abatement of the risks of quarantine measures now being enforced there.

DYNAMITERS SENTENCED.

Life Imprisonment for the Men Who Attempted to Wreck a Lock in the Welland Canal.

Welland, Ont., May 26.—Karl Dullman, residence unknown; John Walsh and John Nolin, of Don Mills, Ireland, but lately of Washington, D. C., and Richmond, Va., were convicted of having attempted to wreck lock 24 of the Welland canal with dynamite, and sentenced to imprisonment for life in Kingston penitentiary. Walsh and Nolin were the active participants in the crime, having lowered two tons of dynamite, and with fuses attached, along the lock, but, owing to a mistake in calculating the distance, the water's edge, the force of the explosion was minimized and the damage was trifling. Dullman accompanied the men to Niagara Falls and directed the proceeding.

The three were caught almost red-handed. The jury was only five minutes arriving at the guilt of the accused. Neither made any remark, and receiving sentences. No evidence was produced as to the motive of the men, although the crown claims that it was hatched by the Clan na Gael.

SHOUTED "GOOD-BYE."

An Unknown Priest Dramatically Jumps into the Whirlpool Below Niagara Falls.

Niagara Falls, N. Y., May 26.—An unknown priest, supposed to be from New York city, committed suicide at the whirlpool rapids. He descended the elevator, and, after having his picture taken, walked out on a rock, threw his hat and cane back of him and, waving his right hand dramatically, shouted "Good-bye!" and leaped into the rushing water.

He ordered the pictures sent to M. J. O'Donnell, New York city, who is said to be pastor of St. Andrew's church. He has two assistants, Rev. W. J. Steward and Rev. Edward S. Leonard, and it is believed here that the suicide is about 50 years old.

Severely Killed By Whitecaps.

Seary, Ark., May 26.—A. S. Jenkins, a Negro, was severely and instantly killed by whitecaps near West Point. Jenkins and another Negro were suspected of robbing a store. They were called out in the night by the whitecaps. Jenkins took fright and started to run, when one of the mob fired, killing him.

British Forces Under Lord Roberts Are Rapidly Advancing Toward Pretoria.

NEARING THE TRANSVAAL BORDER

Fifty Thousand English Troops Have Already Crossed to the North Bank of the River Vaal.

The Movement of the Boers Are Enveloped in Mystery, but It Is Not Likely That a Big Battle Is Imminent.

London, May 26.—The latest intelligence from Lord Roberts' headquarters at Vredfort Station was that the British were rapidly advancing. General Hamilton had effected a junction with Lord Roberts. The country in front of them was clear of Boers to Vredfort. The Boers were evacuating all their positions south of the Vaal river, and 5,000 had already crossed to the north bank. Probably Gen. French's cavalry is already reconnoitering the banks of the Vaal.

War office observers expect that the next dispatch from the field marshal will be dated in sight of the Transvaal frontier. Lord Roberts, writing to the Daily Telegraph from Vredfort Thursday morning, said Lord Roberts would doubtless cross the Vaal river Saturday or Sunday. The British outposts were then at Erste Edul, nine miles south of Vredfort and 26 miles south of the Vaal river. The railway is much damaged.

While the British in overwhelming force are thus rapidly approaching the Transvaal, the movements of the Boers are enveloped in mystery. The last Pretoria newspaper to reach London was a week old. Everybody seeking to cross the Portuguese frontier, yesterday the Transvaal searched for newspapers and letters. Dispatches and mail letters containing even harmless references to the war are suppressed. The only news that has emerged from the Transvaal during the last ten days has come by word of mouth. According to these oral reports, yesterday the Boers were quarreling among themselves. Transvaal paper money was circulating at 80 per cent. discount. Boekers' firm was giving one pound in gold for five pounds in paper. Kroux and Klinko, the engineers who opposed the blowing up of the mines, have been dismissed. Commandant Schutte has been appointed to defend Johannesburg, and all the British subjects have been turned out.

The Transvaalers fear that the British will blow up the bridge at Komati Poort, thus cutting off their line of retreat, and a band of 500 is guarding the bridge against such attempt by the British raiders.

It is asserted that President Kruger will retire to Lydenburg when fighting is imminent at Johannesburg and Pretoria.

Concern is expressed at Pretoria with reference to the possibility that Gen. Carrington may come down from Rhodesia with 5,000 men to co-operate with the British, and enter the Transvaal by way of Mafeking.

Boer sickness is said to have broken out among Gen. Carrington's animals.

PEORIA OVERTURES.

It Was the Most Important Feature of the Presbyterian General Assembly.

St. Louis, May 26.—The most important feature of the session of the Presbyterian general assembly was the Peoria overture, which was thought to have been given a rest. One of the New York commissioners offered two amendments to the resolution of the sections of the Peoria overture which provide for the number of members of the standing committees and the appointment of chairmen.

The substitutes provide that an additional member shall be on such committee and that the moderator shall appoint the chairmen of the committees. Action will be taken on the amendments before final adjournment of the assembly. The greater part of the session was occupied by reports of committees.

No Further Failures.

New York, May 26.—Following the extraordinary excitement in the cotton market here, prices have been steady on the exchange. There were no further failures, and accounts are reaching the exchange regarding the accounts of the merchants of the cotton. Price, McCormick & Co. accounts were of a reassuring character, although still leaving the trade in uncertainty. The interest of the first week and almost world-wide. There was a rally of 32 points on May contracts, which had declined 78 points. The rest of the list recovered from 6 to 21 points, with the market finally showing a net gain of 3 to 22 points, including May.

Improvement Contract Annulled.

Washington, May 26.—In recognition of Maj. Powell, of the corps of engineers in charge of the improvement of the Monongahela river, by Gen. Wilson, chief of engineers, the secretary of war has directed the annulment of the contract with Mr. McDonald for the construction of locks and dams on the Monongahela river. Other arrangements will be made for the completion of this work.

BOER ENVOYS' STATEMENT.

Their Time in This Country Is Limited, but a Few Cities Will Be Visited.

Washington, May 26.—The following statement was issued by the Boer envoys who are at present in this city:

"Messrs. Fischer, Wessels and Wolmarans, who are representing the South African republics in this country, have received many pressing invitations from most of the large cities of the United States to visit them, but owing to the short time they have to spend in this country, will not be possible to accept all the invitations. It is their intention to return as soon as circumstances permit to their own country, staying in Europe sufficient time to carry out their instructions, but before leaving they have concluded to yield to the great demand on the part of the American people to spend a few days more in America, and they have concluded first of all to visit Baltimore, Philadelphia, Providence and Boston during next week. After visiting these cities they are in hopes of being able to spare the time to visit a few cities to several cities in the middle states, timely notification of which will be given to the committees which have honored them to yield to the great demand on the part of the American people to spend a few days more in America, and they have concluded first of all to visit Baltimore, Philadelphia, Providence and Boston during next week.
